

Lou's Road Trip BINGO

Hey there, it's Lou!

I love car rides, but sometimes it helps to have something to do, especially when they are long. That's why I created this Road Trip Bingo for you to play on your next car ride.

How to Play

1. Grab a pencil or pen for each person (or dog) playing.
2. Print out the sheets and hand out to your car-mates.
3. Look out the window and mark off what you see on the BINGO card.
4. Don't forget to mark off your free square in the center. (I threw you a bone.)
5. First one to mark five in a row (vertical, horizontal, or diagonal) and call out "Bingo!" wins.
6. Make the game last even longer by playing until you get a full card.
